PROJECT OVERVIEW

Project Title:

Project timeframe (when will the project take place – start and end dates):

Project Description:

PROJECT OVERVIEW (cont'd)

Project objective(s) (describe anticipated outcome and how the success of the project would be evaluated):

Make sure the project objective(s) meet(s) at least one of the criteria below:

Enhances the ability for the region to create new jobs; Creates an opportunity for new business or expansion for the community or the region, enhances human resource skills and employer capacity; introduces new technology and e-commerce into the region and creates diversity in the region's economy.

Marketing/Advertising (describe how you would acknowledge financing assistance from NADF and FedNor for the project):

How does the project relate to your community's and/or regional strategic plan?

How do you plan on continuing with the project without LI contribution funding in the future?

PROJECT FINANCIAL BUDGET

The application/proposal **must identify other funding partners for a minimum of 10% of proposed budget** and identify the contribution of each including whether it is financial or in-kind. Evidence of the commitment of other funding partners is required to approve funding to the project or proposal.
