TIME ZONE NOTE
REMARQUE SUR LE FUSEAU HORAIRE

Central Time Zone
 Heure du Centre

Eastern Time Zone
 Heure de l'Est

This diagram is a visual representation of the time difference between the Central Time Zone and the Eastern Time Zone. It shows a 1-hour difference between the two zones. The diagram is intended to be used in conjunction with the time zone information provided on the map.

En supposant qu'il est midi à l'Observatoire de Greenwich, il est midi à l'Observatoire de St. John's.
